**PLAINTIFFS' UNOPPOSED MOTION FOR FINAL APPROVAL OF CLASS
ACTION SETTLEMENT AND INCORPORATED MEMORANDUM OF LAW**

Plaintiffs,¹ on behalf of themselves and all others similarly situated, respectfully submit this Unopposed Motion for Final Approval of Class Action Settlement and Incorporated Memorandum of Law. As set forth below and in the proposed Final Approval Order, Plaintiffs respectfully request that this Court grant Final Approval of the proposed Settlement and the separately filed Application for Attorneys' Fees, Costs, and Service Awards. If approved, the Settlement will resolve the claims of the Plaintiffs and the Settlement Class and bring this litigation to a conclusion.

I. INTRODUCTION

On May 1, 2026, the Court granted preliminary approval of the proposed Settlement Agreement between the Plaintiffs and Defendants Bradford Health Services, LLC and BHS Management, LLC ("Defendants" or "Bradford") (collectively, the "Parties") in this case. In that Preliminary Approval Order, the Court approved the proposed Notice Program. Since that time, the Parties have complied with the Court's Order and provided the Settlement Class with direct notice as set forth in the declaration of the claims administrator, Epiq Class Action & Claims Solutions, Inc. ("Epiq"). (See Declaration of Cameron R. Azari, Esq. Regarding Implementation

¹ Unless otherwise defined herein, capitalized terms used herein have the same meaning given to them as in the Parties' Settlement Agreement, which was previously submitted with Plaintiffs' Unopposed Motion for Preliminary Approval of Class Action Settlement.

and Adequacy of Notice Program (“Epiq Decl.”), attached as Exhibit A.)

As of July 6, 2026, 1,383 Claim Forms have been submitted to the Settlement Administrator who will review them for validity. (Epiq Decl. ¶ 33.) It is expected that additional Claim Forms will be submitted before the deadline. No Settlement Class Members have opted out, and none have objected to any aspect of the Settlement. (Epiq Decl. ¶ 31.) Plaintiffs now move the Court for Final Approval of the Settlement and for certification of the Settlement Class.

II. BACKGROUND

A. The Data Incident

In November 2023, unauthorized third parties infiltrated the Defendants’ computer systems and accessed the Private Information, including personal identifying information and private health information of Plaintiffs and approximately 32,425 current and former patients in the Data Incident. The Private Information potentially exposed in the Data Incident included individuals’ names, dates of birth, drivers’ license numbers, passport numbers, Social Security numbers, medical information (including treatment diagnosis information, physicians' names, and medical record numbers), health insurance information, and financial information. Defendants own and operate healthcare facilities throughout Alabama focusing on treatment and rehabilitation of individuals who are drug and alcohol dependent. In May 2025, Defendants began notifying impacted individuals of the Data Incident.

B. Procedural History

Multiple consumer class action cases related to the Data Incident were filed. On June 5, 2025, Joseph Lodico filed the first complaint. On June 9, 2025, Richard Hussey filed a complaint. On June 10, 2025, James Brooks filed a complaint. All cases involve common questions of law or fact, arise from the same Data Incident, and allege the same or similar causes of action against

Defendants, including negligence/wantonness, negligence per se, breach of express or implied contract, and unjust enrichment.

On August 8, 2025, Plaintiffs moved to consolidate the cases and appoint interim co-lead counsel. On August 15, 2025, the Court entered an order consolidating the cases and appointing lead counsel. On September 29, 2025, Plaintiffs filed the Consolidated Class Action Complaint. On October 22, 2025, James Brooks dismissed his individual action. On December 16, 2025, Plaintiffs filed the First Amended Consolidated Class Action Complaint, adding five additional Plaintiffs: Paul Wiezorek, Taylor McPherson, F.P., C.W., and Amanda Michael.

On December 12, 2025, the Parties notified the Court of the settlement, and the Court stayed all deadlines. On April 23, 2026, Plaintiffs filed their Unopposed Motion for Preliminary Approval of Class Action Settlement. On May 1, 2026, this Court granted Plaintiffs' Preliminary Approval Motion. Since that time, the Notice Program has been completed and Claim Forms have been submitted by Settlement Class Members.

C. Settlement Negotiations and Preliminary Approval

After exchanging informal discovery to confirm the foundational facts of the case, the Parties worked in good faith and at arm's length to negotiate the Settlement over the course of numerous phone calls, emails, and mediation. In advance of mediation, Class Counsel consulted with liability and damages experts and propounded informal discovery on Defendants regarding the nature and cause of the Data Incident, the number and geographic location of victims, and the specific types of information impacted. The Parties participated in a full-day mediation on October 21, 2025, with Bruce Friedman of JAMS, an experienced mediator in data breach class actions. After a full day of negotiations, the Parties reached an agreement in principle on the material terms of the Settlement. The negotiations were hard fought, but ultimately successful. (See Declaration

of Jonathan S. Mann (“Mann Decl.”), attached as Exhibit B.)

After the Parties ultimately reached an agreement in principle on all material terms of substantive relief for the Settlement Class, they began negotiating the amounts of attorneys’ fees and costs that would be paid to Class Counsel (subject to Court approval), as well as the amount of Service Awards that would be paid to the Class Representatives (also subject to Court approval) as part of the Settlement. At all times, the issues of attorneys’ fees, costs, and Service Awards were negotiated separately from the Settlement Class Member Benefits for Settlement Class Members. Like the other negotiations, negotiations were conducted at arm’s length. (Mann Decl. ¶ 19.)

Following negotiations, the Parties ultimately reached an agreement in principle on all issues related to the Settlement and began drafting, exchanging, and editing the detailed Settlement Agreement, including its accompanying exhibits, Notices, and Claim Form. The Parties sought bids from claims administrators, and after a bidding process selected Epiq Class Action & Claims Solutions, Inc. to act as the Settlement Administrator, subject to the Court’s approval. The Settlement Agreement resulted from hard-fought and adversarial negotiations over a months’-long period. The time and effort spent by all parties to this litigation demonstrate the rigor, intensity, and thoroughness of the Parties’ commitment to working constructively toward a resolution for the benefit of the Class Members.

III. THE SETTLEMENT

The terms of the Settlement, which this Court preliminarily approved, are set fully forth in the Settlement Agreement submitted with Plaintiffs’ Unopposed Motion for Preliminary Approval of Class Action Settlement, and are briefly summarized below:

The Preliminary Approval Order conditionally certified the Settlement Class defined as follows:

All living individuals residing in the United States who were sent notice by the

Defendants that their Private Information was impacted or potentially impacted in the Data Incident.

The proposed Settlement Class specifically excludes (a) directors, officers, and employees of Defendants; (b) the Judge assigned to the Action, that Judge's immediate family, and Court staff; and (c) any Settlement Class Member who timely and validly opts out. The proposed Settlement Class includes approximately 23,301 individuals.

A. Settlement Class Member Benefits

The Settlement provides for monetary relief to be paid by Defendants to eligible Claimants in the Settlement Class. After Final Approval, Defendants will fund a \$900,000.00 non-reversionary Settlement Fund to provide Settlement Class Members with the Settlement Class Member Benefits described below. The Settlement Fund will also be used to pay Settlement Administration Costs, the Service Awards to the Class Representatives and attorneys' fees and costs to Class Counsel awarded by the Court.

1. Cash Payment A - Documented Losses

Settlement Class Members may submit a Claim for a Cash Payment A – Documented Losses of up to \$5,000.00 per Settlement Class Member for actual, documented, unreimbursed monetary losses that were more likely than not caused by the Data Incident. Payment shall be made only if: (a) the loss is an actual, documented, and unreimbursed monetary loss; (b) the loss was more likely than not caused by the Data Incident; (c) the Claimant made reasonable efforts to avoid, or seek reimbursement for, the loss; and (d) the Claimant submits reasonable documentation in support of their claim.

2. Cash Payment B - Alternate Cash

As an alternative to Cash Payment A – Documented Losses, a Settlement Class Member

may submit a Claim electing Cash Payment B – Alternate Cash, which is a *pro rata* share of the Net Settlement Fund (estimated to be approximately \$150), without the need to document losses. A Claim Form seeking Cash Payment B shall still be submitted under penalty of perjury attesting that the Claimant is a member of the Settlement Class and is eligible to receive Settlement Class Member Benefits.

Cash Payments are subject to *pro rata* increase if Claims are insufficient to exhaust the Net Settlement Fund, or *pro rata* decrease if Claims exceed the Net Settlement Fund.

3. Medical Data Monitoring (3 Years CyEx Medical Shield)

In addition to electing a Cash Payment, all Settlement Class Members may elect to receive three years of one credit bureau CyEx Medical Shield Total Medical Data Monitoring, which includes medical identity monitoring, real-time alerts, and insurance coverage up to \$1,000,000 for medical identity theft.

4. Injunctive Relief

In addition to the monetary benefits, Defendants have agreed to implement additional security measures designed to prevent future data incidents. The costs of these measures are paid separately from the Settlement Fund.

B. Service Awards

In the Application for Attorneys' Fees, Costs, and Services Awards filed contemporaneously, Class Counsel have applied to the Court for a Service Award of \$3,500.00 to each of the eight Plaintiffs, as Settlement Class Representatives, for their efforts throughout litigation and mediation and for their commitment on behalf of the Settlement Class. Defendants do not oppose the request, and currently no Settlement Class Member has objected to the proposed Service Awards. The Service Awards are not conditioned on the Plaintiffs' support of the proposed

Settlement. Class Counsel negotiated the amount of the Service Awards to be requested independently from the other terms of the proposed Settlement, and the Court should consider the Service Awards separately from its consideration and determination of the fairness, reasonableness, and adequacy of the proposed Settlement.

C. Attorneys' Fees

In the Application for Attorneys' Fees, Costs, and Services Awards filed contemporaneously, Class Counsel have applied separately to the Court for an award of attorneys' fees in the amount of up to \$300,000.00 (one-third of the \$900,000.00 Settlement Fund), plus reimbursement of reasonable costs. The requested attorneys' fee and cost award is well within the range of approved fees in other class actions and is fair and reasonable in light of the significant recovery secured on behalf of the Settlement Class Members by Class Counsel's efforts. Defendants do not oppose the request, and there have been no objections from Settlement Class Members.

D. Settlement Administration Costs

The Settlement Administration Costs, including the cost of implementing and developing a Notice Program, as well as the costs of the Settlement Administrator to disseminate Notice, administer the Settlement, evaluate Claims, and distribute the Settlement Class Member Benefits to Settlement Class Members who submitted timely and Valid Claims, will be paid from the Settlement Fund.

E. The Release

The Settlement Agreement, which was posted on the Settlement Website on the Notice Date, explains the claims that will be released if the Settlement is approved. In return for the Settlement Class Member Benefits described above, Settlement Class Members who do not opt-

out will release all claims and causes of action of every nature and description, whether arising under federal, state, statutory, regulatory, common, or other law, including any and all claims for damages, injunctive relief, equitable relief, attorneys' fees and expenses, statutory damages, punitive damages, and any other form of relief that either has been asserted, or could have been asserted, by any Settlement Class Member against any of the Released Parties based on, relating to, concerning, or arising out of the Data Incident or the allegations, facts, or circumstances described in this litigation. Released Claims shall not include the right of any Settlement Class Member or any of the Released Parties to enforce the terms of the Settlement Agreement and shall not include the claims of Settlement Class Members who have timely and validly opted-out of the Settlement Class. (Settlement Agreement, § XIII.)

F. *Cy Pres* Payment for Residual Funds

Any residual funds remaining in the Settlement Fund 20 days following the 120-day period to cash checks or for Settlement Class Member who fail to select the form of cash payment, following the payment of Settlement Class Member Payments, shall be distributed to the Addiction Prevention Coalition as a *cy pres* recipient, which has a direct nexus to the interests of the Settlement Class, subject to Court approval.

IV. THE SETTLEMENT MERITS FINAL APPROVAL

A. Standard

A class action may be settled, voluntarily dismissed, or compromised only with court approval. Ala. R. Civ. P. 23(e). Alabama state courts often rely on the decisions of federal courts interpreting and applying Fed. R. Civ. P. 23 because of the rule similarities.

Judicial policy favors voluntary settlement as the means of resolving class-action cases; however, the court has an independent duty to ensure that the settlement is fair, adequate, and reasonable. *See Austin v. Hopper*, 28 F. Supp. 2d 1231 (M.D. Ala. 1998). Courts review a proposed

class action settlement for fairness, reasonableness, and adequacy. Ala. R. Civ. P. 23; *Perdue v. Green*, 127 So. 3d 343, 356 (Ala. 2012). Courts have long recognized that “class action suits have a well-deserved reputation as being the most complex,” and, therefore, compromise is particularly appropriate. *Cotton v. Hinton*, 559 F.2d 1326, 1331 (5th Cir. 1977); *In re Domestic Air Transportation Antitrust Litigation*, 148 F.R.D. 297, 312 (N.D. Ga. 1993) (“Settlements of class actions are highly favored in the law and will be upheld whenever possible because they are means of amicably resolving doubts and preventing lawsuits.”).

In assessing a class action settlement, the courts are advised to “refrain from making a precise determination of the parties’ respective legal rights.” *EEOC v. Hiram Walker & Sons, Inc.*, 768 F.2d 884, 889 (7th Cir. 1985). Similarly, “[t]he proposed settlement is not to be judged against a hypothetical or speculative measure of what might have been achieved by the negotiators.” *Officers for Justice v. Civil Serv. Comm’n*, 688 F.2d 614, 625 (9th Cir. 1982). Instead, considerable weight should be given to the views of experienced counsel on the merits of the settlement. *Gautreaux v. Pierce*, 690 F.2d 616, 631 (7th Cir. 1982). There is a “strong initial presumption” that an arm’s-length settlement arrived at by counsel experienced in the type of litigation involved on the basis of sufficient information concerning the claims at issue is fair. *Feder v. Harrington*, 58 F.R.D. 171, 175 (S.D.N.Y. 1972).

In *Adams v. Robertson*, 676 So. 2d 1265, 1273 (Ala. 1995), the Alabama Supreme Court set forth eight factors that trial courts may consider when determining whether to approve a settlement: (1) the likelihood of success at trial; (2) the range of possible recovery; (3) the point on or below the range of possible recovery at which the settlement is fair, adequate, and reasonable; (4) the complexity, expense, and duration of the litigation; (5) the substance and amount of opposition to the settlement; (6) the stage of the proceedings at which the settlement was achieved;

(7) the financial ability of the defendant(s) to withstand a greater judgment and the potential for a judgment or judgments in an amount or amounts likely to trigger due process considerations relating to punitive damages; and (8) whether proper notice was given. *See also Perdue*, 127 So. 3d at 356 (addressing the eight settlement approval factors).

As shown below, these factors all support a finding that the proposed Settlement is fair and reasonable and should be approved.

1. Likelihood of Success at Trial

While Plaintiffs believe that they have a good likelihood of prevailing on their claims, they are also aware that Defendants have denied their material allegations and have raised several legal defenses, any of which, if successful, would result in the Plaintiffs and the proposed Settlement Class Members receiving no payment whatsoever. Specifically, Defendants are prepared to argue that Plaintiffs have not suffered any actual injury, that no negligence or violation of contract or other state law occurred, and that Plaintiffs would not be able to certify any proposed class. A number of these legal questions have not yet been decided by Alabama courts and, as issues of first impression, would likely have to be resolved through lengthy and costly appellate proceedings. Accordingly, there is significant risk that either Plaintiffs' individual claims will not survive, or else that Plaintiffs will ultimately be unsuccessful in certifying a class of individuals who would be entitled to any award following trial.

While it is easy to hope for a substantial award at trial, “[i]n the real world . . . the path to a large damage award is strewn with hazards.” *In re Gulf Oil/Cities Serv. Tender Offer Litigation*, 142 F.R.D. 588, 595 (S.D.N.Y. 1992). This Settlement replaces the risks of establishing liability and damages with immediacy and certainty of a substantial recovery.

2. Range of Possible Recovery

In assessing the Settlement, the Court must also consider the range of possible damages that could be recovered at trial and then combine this possibility with the Plaintiffs' likelihood of prevailing at trial to determine if the settlement falls at a point in the possible recovery range that is fair to the Class. *See In re Corrugated Container Antitrust Litigation*, 643 F.2d 195, 217 (5th Cir. 1981); *Newman v. Stein*, 464 F.2d 689, 693 (2d Cir. 1972).

In the instant action, Class Members are entitled to submit a Claim for Cash Payment A – Documented Losses of up to \$5,000.00 to compensate them for any documented out-of-pocket expenses caused by the Data Incident, or alternatively Cash Payment B – Alternate Cash of an estimated \$150 *pro rata* share without need to show documentation. Furthermore, each Class Member who submits a Claim may also elect three years of CyEx Medical Shield Total Medical Data Monitoring. It is unclear exactly what the maximum recovery at trial would be because of the unanswered legal questions involved in this case, but Class Counsel strongly believes that Settlement Class Members who participate in the Settlement Claim Process will receive fair and adequate compensation for their injuries, especially in light of the defenses raised by Defendants and the possibility that the Settlement Class Members would receive no benefit whatsoever in the absence of this Settlement.

3. Complexity, Expense, and Duration of Litigation

With respect to this factor, in the absence of settlement, it is certain that the expense, duration, and complexity of the resulting protracted litigation would be substantial. Courts have consistently viewed the expense and possible duration of litigation as factors appropriately considered in evaluating the reasonableness of a settlement. *See Class Plaintiffs v. City of Seattle*, 955 F.2d 1268, 1292 (9th Cir. 1992).

Here, continued litigation of all issues by Defendants, which are represented by highly

capable counsel, would have prolonged any recovery to Settlement Class Members. The Parties would have to undergo significant motion practice and discovery before any trial on the merits could even be contemplated. Such motion practice would likely include motions for summary judgment, briefing on any motion for class certification brought by Plaintiffs, motions to exclude expert witness(es), and briefing on various discovery disputes. Further, given the complexity of the issues, the defeated party(ies) would likely appeal any decision on the merits as well as any decision on class certification. Even if Plaintiffs were successful in the continued prosecution of a case through trial, appeals would entail enormous additional effort and expense with no promise of a greater recovery. As such, the immediate and considerable relief provided to the Class under the Settlement Agreement weighs heavily in favor of its approval compared to the inherent risk and delay of continued litigation, trial, and appeal.

4. Opposition to the Settlement

Addressing this factor, as of the date of this filing, there is no opposition to the Settlement. No Settlement Class Members have opted-out of or objected to the Settlement. (Epiq Decl. ¶ 31.) If that changes by the deadline for opt-outs and objections, Class Counsel will address objections before or during the Final Approval Hearing.

It is well-settled that “the reaction of the Class to the settlement is perhaps the most significant factor to be weighed in considering its adequacy.” *Sala v. National Railroad Passenger Corp.*, 721 F. Supp. 80, 83 (E.D. Pa. 1989). A favorable reception by the Class constitutes “strong evidence” of the fairness of the settlement and supports judicial approval. *In re Payne Webber Limited Partnerships Litig.*, 171 F.R.D. 104, 126 (S.D.N.Y. 1997). With no opt-outs or objections, there is a unanimous positive response in support of the Settlement as being fair, reasonable, and adequate.

5. Stage of Proceedings at Which Settlement Was Achieved

In assessing this factor, the relevant inquiry is whether the Parties have obtained sufficient information or discovery to assess the strengths and weaknesses of the claims and defenses. Although this matter is still in its early procedural stages, this Settlement was reached only after the Parties exchanged significant informal discovery, which allowed Class Counsel to gain further understanding about the strengths and weaknesses of this case. (Mann Decl. ¶ 13.) This informal discovery allowed Class Counsel to obtain all necessary information surrounding the Data Incident, Defendants' remediation efforts, the individuals and information impacted, and insight into Defendants' business operations. *See Griffin v. Flagstar Bancorp Inc.*, No. 2:10-cv-10610, 2013 WL 6511860, at *4 (E.D. Mich. Dec. 12, 2013) ("The absence of formal discovery in no way undermines the integrity of the settlement given the extensive investigation that has occurred."). This factor favors approval of the Settlement.

6. Financial Ability of Defendants to Withstand a Greater Judgment

As to this factor, while the exact financial position of Defendants has not been publicly disclosed, Class Counsel engaged in sufficient discovery to understand Defendants' financial circumstances. The \$900,000.00 non-reversionary Settlement Fund represents a substantial commitment by Defendants. The Settlement provides substantial, immediate, and certain benefits to Class Members without the risk and expense of a judgment that Defendants might contest or that might prove difficult to collect. This factor supports approval.

7. Adequacy of Notice

The Court approved the proposed Notice Program to reach the proposed Settlement Class Members and appointed Epiq Class Action & Claims Solutions, Inc. as the Settlement Administrator to implement it. The Settlement Administrator's declaration ("Epiq Decl.")

confirms the completion of the Notice Program, which satisfies the due process rights of the Settlement Class. (Epiq Decl. ¶¶ 40, 41.) Postcard Notices were sent to the 23,296 Settlement Class Members, and the Settlement Administrator reports a reach rate of 92.8%. (Epiq Decl. ¶¶ 23 ,39.)

In addition, the Settlement Administrator established a Settlement Website and directed Settlement Class Members to it for further information about the settlement and to submit claims. A toll-free telephone line was also established. (Epiq Decl. ¶¶ 28, 29; Mann Decl. ¶ 27.)

The content of the Postcard Notice sent to each Settlement Class Member complies with the requirements of Rule 23. (Epiq Decl. ¶ 18.) The Notices advise Settlement Class Members that they will be bound by the judgment, and that any Settlement Class Member may object to the Settlement. The Notices advises of the Final Approval Hearing date, at which time Settlement Class Members or their attorneys may be heard, and informs Settlement Class Members how to object or exclude themselves from the Class. The Long Form Notice and the Settlement Website detail the objection and opt-out procedures.

V. CONCLUSION

For the foregoing reasons, Plaintiffs respectfully request that this Court enter an Order granting Final Approval of the Settlement, certifying the Settlement Class, confirming the appointments of the Class Representatives and Class Counsel, granting the separately filed Application for Attorneys' Fees, Costs, and Service Awards, and entering a Final Judgment in this case.

Respectfully submitted,

in the world. Courts have recognized and approved numerous notice plans developed by Epiq Legal Noticing, and those decisions have invariably withstood appellate review.

RELEVANT EXPERIENCE

5. I have served as a notice expert and have been recognized and appointed by courts to design and provide notice in many significant cases, including:

a) *Rodriguez, et al. v. Google LLC* 20-cv-04688 (N.D. Cal.), is a landmark privacy lawsuit for which Epiq implemented an extensive notice program with one of the largest, if not the largest email campaign ever for a class action lawsuit, sending more than 369 million email notices. The email notices were successfully delivered to approximately 93.1% of the class who were sent an email notice. The reach of the individual notice effort was enhanced by a media plan that included digital and social media notice that generated over 178 million impressions, sponsored search listings, and a case website. Overall, the Class Notice Plan reached well in excess of 85% of the Class.

b) *In re Juul Labs, Inc. Marketing, Sales Practices, and Products Liability Litigation* 19-md-02913 (N.D. Cal.), involved two settlements totaling \$300 million for JUUL Labs, Inc. and Altria, which alleged consumers were misled about JUUL products' addictiveness and safety, causing them to pay more, and that JUUL products were unlawfully marketed to minors. Two companion notice programs were implemented with more than 10.7 million email notices and nearly 500,000 postcard notices sent to potential class members and comprehensive media efforts (over 936 million impressions delivered). The notice programs each reached approximately 80% of the class nationwide.

c) *In Re: Zoom Video Communications, Inc. Privacy Litigation*, 3:20-cv-02155 (N.D. Cal.), involved an extensive notice plan for a \$85 million privacy settlement involving Zoom, the most popular videoconferencing platform. Notice was sent to more than 158 million class members by email or mail, and millions of reminder notices were sent to stimulate claim filings. The individual notice efforts reached approximately 91% of the class. A supplemental media campaign provided notice via regional newspaper notice, nationally distributed digital and social

media notice (delivering more than 280 million impressions), sponsored search, an informational release, and a settlement website.

d) *In re Takata Airbag Products Liability Litigation*, MDL No. 2599, 1:15-md-02599 (S.D. Fla.), involved \$1.91 billion in settlements with BMW, Mazda, Subaru, Toyota, Honda, Nissan, Ford, and Volkswagen regarding Takata airbags. The notice programs included individual mailed notice to more than 61.8 million potential class members and extensive nationwide media via consumer publications, U.S. Territory newspapers, radio, digital notices, mobile digital notices, and behaviorally targeted digital media. Combined, the notice programs reached more than 95% of adults aged 18+ in the U.S. who owned or leased a subject vehicle, with a frequency of 4.0 times each.

e) *In Re: Capital One Consumer Data Security Breach Litigation*, MDL No. 2915, 1:19-md-02915 (E.D. Va.), involved an extensive notice program for a \$190 million data breach settlement. Notice was sent to more than 93.6 million settlement class members by email or mail. The individual notice efforts reached approximately 96% of the identified settlement class members and were enhanced by a supplemental media plan that included digital and social media notices (delivering more than 123.4 million impressions), sponsored search, and a settlement website.

f) *In re: Disposable Contact Lens Antitrust Litigation*, 3:15-md-02626 (M.D. Fla.), involved several notice programs to notify retail purchasers of disposable contact lenses for four separate settlements totaling \$88 million. For each notice program more than 1.98 million email or postcard notices were sent to potential class members and a comprehensive media plan was implemented, with a well-read nationwide consumer publication, internet digital notices (delivering more than 312.9 million – 461.4 million impressions per campaign), sponsored search listings, and a case website.

g) *In re U.S. Office of Personnel Management Data Security Breach Litigation* MDL No. 2664, 15-cv-01394 (D.D.C.), involved a \$63 million settlement for compromised personal information of then-current and former federal government employees and contractors, and certain applicants for federal employment. An extensive nationwide media notice campaign was

implemented using magazines, digital and social media notices (delivering more than 758 million impressions), traditional and satellite radio, and other forms of media. The media notice reached at least 85% of the class. In addition, more than 3.5 million email notices and/or postcard notices were sent to identified class members. The notice program was supplemented with outreach to unions and associations, sponsored search listings, an informational release, and a settlement website.

h) *In re: fairlife Milk Products Marketing and Sales Practices Litigation*, 1:19-cv-03924 (N.D. Ill.), involved a \$21 million settlement against The Coca-Cola Company, fairlife, LLC, and other defendants alleging false labeling and marketing of fairlife milk products. A comprehensive media plan was implemented with a consumer print publication notice, targeted digital and social media notices (delivering more than 620.1 million impressions in English and Spanish nationwide). Combined with individual notice to a small percentage of the class, the notice plan reached approximately 80.2% of the class. The reach was further enhanced by sponsored search, an informational release, and a website.

i) *In re: Payment Card Interchange Fee and Merchant Discount Antitrust Litigation*, MDL No. 1720 (E.D.N.Y.). Second Circuit affirmed. *See Fikes Wholesale, Inc. v. Visa U.S.A., Inc.* 62 F.4th 704 (2d Cir. 2023). The case involved a \$5.5 billion settlement reached by Visa and MasterCard. An intensive initial notice program included more than 19.8 million direct mail notices sent to potential class members, together with insertions in over 1,500 newspapers, consumer magazines, national business publications, trade and specialty publications, with notices in multiple languages, and a digital notice campaign (delivering more than 770 million adult impressions). Sponsored search listings and a settlement website in eight languages expanded the notice program. For the subsequent settlement reached by Visa and MasterCard, an extensive notice program was implemented, which included over 16.3 million direct mail notices to class members together with more than 354 print publication insertions and digital notices (delivering more than 689 million adult impressions).

j) *In re: Oil Spill by the Oil Rig "Deepwater Horizon" in the Gulf of Mexico, on April 20, 2010*, MDL No. 2179 (E.D. La.), involved landmark settlement notice programs to

distinct “Economic and Property Damages” and “Medical Benefits” settlement classes for BP’s \$7.8 billion settlement of claims related to the Deepwater Horizon oil spill. Notice efforts included more than 7,900 television spots, 5,200 radio spots, and 5,400 print insertions and reached over 95% of Gulf Coast residents.

7. Courts have recognized our testimony as to which method of notification is appropriate for a given case, and I have provided testimony on numerous occasions on whether a certain method of notice represents the best notice practicable under the circumstances. Numerous court opinions and comments regarding my testimony, and the adequacy of our notice efforts, are included in the Epiq Legal Noticing *curriculum vitae* included as **Attachment 1**.

8. In forming expert opinions, my staff and I draw from our in-depth class action case experience, as well as our educational and related work experiences. I am an active member of the Oregon State Bar, having received my Bachelor of Science from Willamette University and my Juris Doctor from Northwestern School of Law at Lewis and Clark College. I have served as the Director of Legal Notice for Epiq since 2008 and have overseen the detailed planning of virtually all of our court-approved notice programs during that time. Overall, I have more than 26 years of experience in the design and implementation of legal notification and claims administration programs, having been personally involved in well over one hundred successful notice programs.

9. The facts in this declaration are based on my personal knowledge, as well as information provided to me by my colleagues in the ordinary course of my business at Epiq and Epiq Legal Noticing (hereinafter “Epiq”).

OVERVIEW

10. This declaration describes the successful implementation of the Settlement Notice Program (“Notice Program”) and Notices (the “Notice” or “Notices”) for *In re Bradford Health Services, LLC Data Breach Litigation*, Case No. 01-CV-2025-902264.00., in the Circuit Court of Jefferson County, Alabama, Birmingham Division. Epiq designed this Notice Program based on our extensive prior experience and research into the notice issues particular to this Settlement. The Notice Program as designed and implemented provided notice that was the best practicable under the circumstances to provide notice to the Settlement Class.

DATA PRIVACY AND SECURITY

11. Epiq has procedures in place to protect the security of data for the Settlement Class. As with all cases, Epiq maintains extensive data security and privacy safeguards in its official capacity as the Settlement Administrator for this Action. A Service Agreement, which formally retains Epiq as the Settlement Administrator, governs Epiq's settlement administration responsibilities for the Action. Epiq maintains adequate insurance in case of errors.

12. With respect to the data it receives, collects, and otherwise hosts, Epiq serves as a data processor and acts only at the direction of the designated data controller or of the Court, as described in applicable contracts, statements of work, and/or Court documents and Orders. Epiq does not utilize or perform other procedures on personal data provided or obtained as part of services as Settlement Administrator. Epiq does not use any information provided by Settlement Class Members for any other purpose than the administration of this Action. Specifically, Settlement Class Member information is not used, disseminated, or disclosed by or to any other person for any other purpose unrelated to the administration of this Action.

13. The security and privacy of clients' and class members' information and data are paramount to Epiq. Epiq keeps data in line with client retention requirements. If no retention period is specified, Epiq returns the data to the client or securely deletes it as appropriate.

NOTICE PROGRAM SUMMARY

18. Alabama Rules of Civil Procedure, Rule 23 directs that notice must be, “the best notice that is practicable under the circumstances, including individual notice to all members who can be identified through reasonable effort” and that “the notice may be by one or more of the following: United States mail, electronic means, or other appropriate means.”¹ The Notice Program satisfied these requirements.

19. The Notice Program as designed and implemented reached the greatest practicable number of identified Settlement Class Members with individual notice via mail. With the address updating protocols that were used, the Notice Program individual notice efforts reached approximately 92.8% of the identified Settlement Class Members. The reach was further enhanced by a Settlement Website. In my experience, the reach of the Notice Program was consistent with other court-approved notice plans, was the best notice practicable under the circumstances, and satisfied the requirements of due process, including its “desire to actually inform” requirement.²

NOTICE PROGRAM DETAIL

20. On May 1, 2026, the Court approved the Notice Program and appointed Epiq as the Settlement Administrator in the *Order Granting Plaintiffs’ Unopposed Motion for Preliminary Approval of Class Action Settlement* (“Preliminary Approval Order”). In the Preliminary Approval Order, the Court conditionally certified, for settlement purposes only, the following “Settlement Class”:

¹ Ala.R.Civ.P. 23(c)(2).

² *Mullane v. Cent. Hanover Bank & Trust Co.*, 339 U.S. 306, 315 (1950) (“But when notice is a person’s due, process which is a mere gesture is not due process. The means employed must be such as one desirous of actually informing the absentee might reasonably adopt to accomplish it. The reasonableness and hence the constitutional validity of any chosen method may be defended on the ground that it is in itself reasonably certain to inform those affected . . .”).

All living individuals residing in the United States who were sent a notice that their Private Information was impacted in the Data Incident.

Excluded from the Settlement Class are: (a) directors, officers, and employees of Defendants; (b) the Judge assigned to the Action, that Judge's immediate family, and Court staff; and (c) any Settlement Class Member who timely and validly opts-out of the Settlement.

Data Incident is defined in the Settlement Agreement as “means the cybersecurity incident that took place in November 2023, involving Defendants and resulting in the unauthorized access to or acquisition of Settlement Class Members’ Private Information.”

21. After the Court’s Preliminary Approval Order was entered, Epiq implemented the Notice Program. This declaration details the notice activities undertaken to date and explains how and why the Notice Program was comprehensive and well-suited to reach the Settlement Class. This declaration also discusses the administration activity to date.

NOTICE PROGRAM

Individual Notice

22. On May 6, 2026, Epiq received three data files with 23,308 records, which included names and postal addresses for identified Settlement Class Members (“Class List”). Epiq deduplicated and rolled-up the records and loaded the unique, identified Settlement Class Member records into its database for this Settlement. These efforts resulted in 23,301 unique, identified Settlement Class Member records (of these, five records did not have an associated postal address and were not sent Notice).

Individual Notice – Direct Mail

23. On May 29, 2026, Epiq commenced sending 23,296 double Postcard Notices with a postage prepaid detachable Claim Form (“Postcard Notice”) to identified Settlement Class Members for whom an associated postal address was available. The Postcard Notice was sent via United States Postal Service (“USPS”) first-class mail. The Postcard Notice clearly and concisely summarized the Settlement and the legal rights of the Settlement Class Members. In addition, the Postcard Notice also directed the recipients to the Settlement Website where they could access the Long Form Notice and additional information about the Settlement. The Postcard Notice is included as **Attachment 2**.

24. Prior to sending the Postcard Notices, all mailing addresses were checked against the National Change of Address (“NCOA”) database maintained by the USPS to ensure all address information was up-to-date and accurately formatted for mailing.³ In addition, the addresses were certified via the Coding Accuracy Support System (“CASS”) to ensure the quality of the zip code and verified through Delivery Point Validation (“DPV”) to verify the accuracy of the addresses. This address updating process is standard for the industry and for the majority of promotional mailings that occur today.

25. The return address on the Postcard Notices is a post office box that Epiq maintains for this Settlement. The USPS automatically forwards Postcard Notices with an available forwarding address order that has not expired (“Postal Forwards”). Postcard Notices returned as undeliverable are remailed to any new address available through USPS information, (for example, to the address provided by the USPS on returned mail pieces for which the automatic forwarding order has expired but is still within the time period in which the USPS returned the piece with the address indicated), or to better addresses that are found using a third-party address lookup service. Upon successfully locating better addresses, Postcard Notices are promptly remailed. As of July 16, 2026, Epiq has remailed 2,684 Postcard Notices.

26. Additionally, a Long Form Notice and Claim Form (“Claim Package”) are mailed to all persons who request one via the toll-free telephone number or other means. As of July 16, 2026, Epiq has mailed 28 Claim Packages as a result of such requests. The Long Form Notice is included as **Attachment 3**. The Claim Form is included as **Attachment 4**.

³ The NCOA database is maintained by the USPS and consists of approximately 160 million permanent change-of-address (COA) records consisting of names and addresses of individuals, families, and businesses who have filed a change-of-address with the Postal Service™. The address information is maintained on the database for 48 months and reduces undeliverable mail by providing the most current address information, including standardized and delivery-point-coded addresses, for matches made to the NCOA file for individual, family, and business moves.

Notice Results

27. As of July 16, 2026, a Postcard Notice was delivered to 21,628 of the 23,301 unique, identified Settlement Class Members. This means the individual notice efforts reached approximately 92.8% of the identified Settlement Class.

Settlement Website

28. On May 29, 2026, Epiq established a dedicated Settlement Website with an easy to remember domain name (www.BradfordDisputeSettlement.com). Relevant documents, including the Settlement Agreement, Preliminary Approval Order, Consolidated Complaint, Long Form Notice, and Claim Form are posted on the Settlement Website. In addition, the Settlement Website includes relevant dates, answers to frequently asked questions (“FAQs”), instructions for how Settlement Class Members may opt-out (request exclusion) from the Settlement Class or object to the Settlement, instructions for submitting a Claim Form, contact information for the Settlement Administrator, and how to obtain other case-related information. Settlement Class Members are also able to submit a Claim Form on the Settlement Website. The Settlement Website address was prominently displayed in all notice documents. As of July 16, 2026, there have been 1,541 unique visitor sessions to the Settlement Website, and 4,204 web pages have been presented.

Toll-Free Telephone Number and Other Contact Information

29. On May 28, 2026, a toll-free telephone number (1-877-311-8759) was established for the Settlement. Callers are able to hear an introductory message, have the option to learn more about the Settlement in the form of recorded answers to FAQs, and request that a Claim Package be mailed to them. This automated telephone system is available 24 hours per day, 7 days per week. The toll-free telephone number was prominently displayed in all notice documents. As of July 16, 2026, there have been 179 calls to the toll-free telephone number representing 440 minutes of use.

30. A postal mailing address and email address were established and continue to be available to allow Settlement Class Members the opportunity to request additional information or ask questions.

Opt-Out Requests and Objections

31. The deadline to opt-out from the Settlement or to object to the Settlement is August 3, 2026. As of July 16, 2026, Epiq has received no opt-out requests. As of July 16, 2026, Epiq is aware of no objections to the Settlement.

Claim Submission & Distribution

32. The Notices provided a detailed summary of relevant information about the Settlement, including the Settlement Website address, and how Settlement Class Members can file a Claim Form online or by mail. With any method of filing a Claim Form, Settlement Class Members are given the option of receiving a digital payment or a traditional paper check. Epiq worked with counsel for the parties to select an appropriate menu of payment options. With selecting a digital payment option, the type of digital payment selected does not impact Epiq's compensation for its work as the Settlement Administrator, and no digital option was discouraged relative to other options.

33. The deadline for Settlement Class Members to file a Claim Form is August 17, 2026. As of July 16, 2026, Epiq has received 1,620 Claim Forms (397 online and 1,223 paper). Since the Claim Form Deadline has not yet passed, these numbers are preliminary and are subject to change. Epiq anticipates the number of Claims submitted will continue to increase through the Claim Form Deadline. As standard practice, Epiq is in the process of conducting a complete quality control review of Claim Forms received. There is a possibility that after detailed review, the total number of Claim Forms received will change due to duplicate and denied Claim Forms. To date, the claims process is progressing as anticipated and as compared to other similar data breach settlements Epiq has administered.

Settlement Administration Costs

34. Through June 2026, Settlement Administration Costs total \$58,635, which is inclusive of the costs to implement the Notice Program and handle settlement administration to date. This is not a minimum or a cap of costs to be incurred. Based on the current scope of

settlement administration, Epiq anticipates additional fees and expenses will be incurred to complete the settlement administration, leading up to and following the Final Approval Hearing.

35. Significant additional work remains leading up to and following the Final Approval Hearing to complete all aspects of the settlement administration. The remaining work to be completed includes: (1) processing Claim Forms and completing quality review; (2) distributing Settlement funds to Settlement Class Members with a valid Claim Form (digital payments or physical checks and postage); (3) handling undeliverable payments; (4) re-issuing payments; (5) communications with Settlement Class Members, including maintaining the Settlement Website and toll-free telephone number throughout the remaining duration of the settlement administration; and (6) associated project management and related billable hours to handle the distribution and related settlement administration responsibilities. All fees and expenses are subject to the Service Contract under which Epiq is retained as the Settlement Administrator, and the terms and conditions of that agreement.

PLAIN LANGUAGE NOTICE DESIGN

36. The Notices were designed to be “noticed,” reviewed, and—by presenting the information in plain language—understood by Settlement Class Members. The design of the Notices followed the principles embodied in the Federal Judicial Center’s (“FJC”) illustrative “model” notices posted at www.fjc.gov. Many courts, and the FJC itself, have approved notices that Epiq’s noticing experts have written and designed in a similar fashion. The Notices contain substantial, albeit easy-to-read summaries of all key information about Settlement Class Members’ rights and options. Consistent with our normal practice, all notice documents underwent a final edit prior to actual mailing and publication for grammatical errors and accuracy.

37. The Notices sent to identified Settlement Class Members provided substantial information to the Settlement Class. The Notices included (i) details regarding Settlement Class Members’ ability to opt-out or object, (ii) the deadline to opt-out or object, and (iii) the date, time, and location of the Final Approval Hearing, among other information.

CONCLUSION

38. In class action notice planning, execution, and analysis, we are guided by due process considerations under the United States Constitution, by state and local rules and statutes, and further by case law pertaining to notice. This framework directs that the notice plan be designed to reach the greatest practicable number of potential class members and, in a settlement class action notice situation such as this, that the notice or notice plan itself not limit knowledge of the availability of benefits—nor the ability to exercise other options—to class members in any way. All of these requirements were met in this case.

39. The Notice Program included individual direct notice via mail to identified Settlement Class Members. With the address updating protocols that were used, the Notice Program individual notice efforts reached approximately 92.8% of the identified Settlement Class. The reach was further enhanced by a Settlement Website. In 2010, the FJC issued a *Judges’ Class Action Notice and Claims Process Checklist and Plain Language Guide*, which is relied upon for federal cases, and is illustrative for state courts. This guide states that, “the lynchpin in an objective determination of the adequacy of a proposed notice effort is whether all the notice efforts together will reach a high percentage of the class. It is reasonable to reach between 70–95%.”⁴ Here, we have developed and implemented a Notice Program that readily achieved a reach at the high end of that standard.

40. The Notice Program followed the guidance for satisfying due process obligations that a notice expert gleans from the United States Supreme Court’s seminal decisions, which emphasize the need: (a) to endeavor to actually inform the Settlement Class, and (b) to ensure that notice is reasonably calculated to do so:

- a) “[W]hen notice is a person’s due, process which is a mere gesture is not due process. The means employed must be such as one desirous of actually informing the absentee might reasonably adopt to accomplish it,” *Mullane v. Central Hanover Trust*, 339 U.S. 306, 315 (1950); and

- b) “[N]otice must be reasonably calculated, under all the circumstances, to apprise interested parties of the pendency of the action and afford them an opportunity to present their objections,” *Eisen v. Carlisle & Jacquelin*, 417 U.S. 156 (1974) (citing *Mullane*, 339 U.S. at 314).

41. The Notice Program conformed to all aspects of the Alabama Rules of Civil Procedure, Rule 23 regarding notice, comported with the guidance for effective notice set out in the Manual for Complex Litigation, Fourth, and applicable FJC materials, and satisfied the requirements of due process, including its “desire to actually inform” requirement.

42. The Notice Program schedule afforded sufficient time to provide full and proper notice to Settlement Class Members before the Opt-Out Deadline and Objection Deadline.

I declare under penalty of perjury that the foregoing is true and correct. Executed July 16, 2026.

Judge Lance M. Africk, *Evans et al. v. TIN, Inc. et al.* (July 7, 2013) 2:11-cv-02067 (E.D. La.):

The Court finds that the dissemination of the Class Notice... as described in Notice Agent Lauran Schultz's Declaration: (a) constituted the best practicable notice to Class Members under the circumstances; (b) constituted notice that was reasonably calculated, under the circumstances...; (c) constituted notice that was reasonable, due, adequate, and sufficient; and (d) constituted notice that fully satisfied all applicable legal requirements, including Rules 23(c)(2)(B) and (e)(1) of the Federal Rules of Civil Procedure, the United States Constitution (including Due Process Clause), the Rules of this Court, and any other applicable law, as well as complied with the Federal Judicial Center's illustrative class action notices.

Judge Edward M. Chen, *Marolda v. Symantec Corporation* (Apr. 5, 2013) 3:08-cv-05701 (N.D. Cal.):

Approximately 3.9 million notices were delivered by email to class members, but only a very small percentage objected or opted out ... The Court ... concludes that notice of settlement to the class was adequate and satisfied all requirements of Federal Rule of Civil Procedure 23(e) and due process. Class members received direct notice by email, and additional notice was given by publication in numerous widely circulated publications as well as in numerous targeted publications. These were the best practicable means of informing class members of their rights and of the settlement's terms.

Judge Ann D. Montgomery, *In re Zurn Pex Plumbing Products Liability Litigation* (Feb. 27, 2013) MDL No. 1958, 08-md-01958 (D. Minn.):

*The form and content of the notices provided to the class were direct, understandable, and consistent with the "plain language" principles advanced by the Federal Judicial Center . . . Magistrate Judge Stewart, *Gessele et al. v. Jack in the Box, Inc.* (Jan. 28, 2013) 3:10-cv-00960 (D. Ore.):

Moreover, plaintiffs have submitted [a] declaration from Cameron Azari, a nationally recognized notice expert, who attests that fashioning an effective joint notice is not unworkable or unduly confusing. Azari also provides a detailed analysis of how he would approach fashioning an effective notice in this case.

Judge Carl J. Barbier, *In re Oil Spill by the Oil Rig "Deepwater Horizon" in the Gulf of Mexico, on April 20, 2010 (Medical Benefits Settlement)* (Jan. 11, 2013) MDL No. 2179 (E.D. La.):

Through August 9, 2012, 366,242 individual notices had been sent to potential [Medical Benefits] Settlement Class Members by postal mail and 56,136 individual notices had been e-mailed. Only 10,700 mailings—or 3.3%—were known to be undeliverable. (Azari Decl. ¶¶ 8, 9.) Notice was also provided through an extensive schedule of local newspaper, radio, television and Internet placements, well-read consumer magazines, a national daily business newspaper, highly-trafficked websites, and Sunday local newspapers (via newspaper supplements). Notice was also provided in non-measured trade, business and specialty publications, African-American, Vietnamese, and Spanish language publications, and Cajun radio programming. The combined measurable paid print, television, radio, and Internet effort reached an estimated 95% of adults aged 18+ in the Gulf Coast region an average of 10.3 times each, and an estimated 83% of all adults in the United States aged 18+ an average of 4 times each. (Id. ¶¶ 8, 10.). All notice documents were designed to be clear, substantive, and informative. (Id. ¶ 5.).

The Court received no objections to the scope or content of the [Medical Benefits] Notice Program. (Azari Supp. Decl. ¶ 12.). The Court finds that the Notice and Notice Plan as implemented satisfied the best notice practicable standard of Rule 23(c) and, in accordance with Rule 23(e)(1), provided notice in a reasonable manner to Class Members who would be bound by the Settlement, including individual notice to all Class Members who could be identified through reasonable effort. Likewise, the Notice and Notice Plan satisfied the requirements of Due Process. The Court also finds the Notice and Notice Plan satisfied the requirements of CAFA.

Judge Carl J. Barbier, *In re Oil Spill by the Oil Rig "Deepwater Horizon" in the Gulf of Mexico, on April 20, 2010 (Economic and Property Damages Settlement)* (Dec. 21, 2012) MDL No. 2179 (E.D. La.):

The Court finds that the Class Notice and Class Notice Plan satisfied and continue to satisfy the applicable requirements of Federal Rule of Civil Procedure 23(c)(2)(b) and 23(e), the Class Action Fairness Act (28 U.S.C. § 1711 et seq.), and the Due Process Clause of the United States Constitution (U.S. Const., amend. V), constituting the best notice

that is practicable under the circumstances of this litigation. The notice program surpassed the requirements of Due Process, Rule 23, and CAFA. Based on the factual elements of the Notice Program as detailed below, the Notice Program surpassed all of the requirements of Due Process, Rule 23, and CAFA.

The Notice Program, as duly implemented, surpasses other notice programs ... executed with court approval. The Notice Program included notification to known or potential Class Members via postal mail and e-mail; an extensive schedule of local newspaper, radio, television and Internet placements, well-read consumer magazines, a national daily business newspaper, and Sunday local newspapers. Notice placements also appeared in non-measured trade, business, and specialty publications, African-American, Vietnamese, and Spanish language publications, and Cajun radio programming. The Notice Program met the objective of reaching the greatest possible number of class members and providing them with every reasonable opportunity to understand their legal rights. See Azari Decl. ¶¶ 8, 15, 68. The Notice Program was substantially completed on July 15, 2012, allowing class members adequate time to make decisions before the opt-out and objections deadlines.

The media notice effort alone reached an estimated 95% of adults in the Gulf region an average of 10.3 times each, and an estimated 83% of all adults in the United States an average of 4 times each. These figures do not include notice efforts that cannot be measured, such as advertisements in trade publications and sponsored search engine listings. The Notice Program fairly and adequately covered and notified the class without excluding any demographic group or geographic area, and it exceeded the reach percentage achieved in most other court-approved notice programs.

Judge Alonzo Harris, *Opelousas General Hospital Authority, A Public Trust, D/B/A Opelousas General Health System and Arklamiss Surgery Center, L.L.C. v. FairPay Solutions, Inc.* (Aug. 17, 2012) 12-C-1599 (27th Jud. D. Ct. La.):

Notice given to Class Members and all other interested parties pursuant to this Court's order of April 18, 2012, was reasonably calculated to apprise interested parties of the pendency of the action, the certification of the Class as Defined for settlement purposes only, the terms of the Settlement Agreement, Class Members rights to be represented by private counsel, at their own costs, and Class Members rights to appear in Court to have their objections heard, and to afford persons or entities within the Class Definition an opportunity to exclude themselves from the Class. Such notice complied with all requirements of the federal and state constitutions, including the Due Process Clause, and applicable articles of the Louisiana Code of Civil Procedure, and constituted the best notice practicable under the circumstances and constituted due and sufficient notice to all potential members of the Class as Defined.

Judge James Lawrence King, *Sachar v. Iberiabank Corporation* (Apr. 26, 2012) as part of ***In re Checking Account Overdraft*** MDL No. 2036 (S.D. Fla.):

The Court finds that the Notice previously approved was fully and properly effectuated and was sufficient to satisfy the requirements of due process because it described "the substantive claims ... [and] contained information reasonably necessary to [allow Settlement Class Members to] make a decision to remain a class member and be bound by the final judgment.".... The Notice, among other things, defined the Settlement Class, described the release as well as the amount and method and manner of proposed distribution of the Settlement proceeds, and informed Settlement Class Members of their rights to opt-out or object, the procedures for doing so, and the time and place of the Final Approval Hearing. The Notice also informed Settlement Class Members that a class judgment would bind them unless they opted out, and told them where they could obtain more information, such as access to a full copy of the Agreement. Further, the Notice described in summary form the fact that Class Counsel would be seeking attorneys' fees of up to 30 percent of the Settlement. Settlement Class Members were provided with the best practicable notice "reasonably calculated, under [the] circumstances, to apprise them of the pendency of the action and afford them an opportunity to present their objections." Mullane, 339 U.S. at 314. The content of the Notice fully complied with the requirements of Rule 23.

Judge Bobby Peters, *Vereen v. Lowe's Home Centers* (Apr. 13, 2012) SU10-cv-2267B (Ga. Super. Ct.):

The Court finds that the Notice and the Notice Plan was fulfilled, in accordance with the terms of the Settlement Agreement, the Amendment, and this Court's Preliminary Approval Order and that this Notice and Notice Plan constituted the best practicable notice to Class Members under the circumstances of this action, constituted due and sufficient Notice of the proposed Settlement to all persons entitled to

participate in the proposed Settlement, and was in full compliance with Ga. Code Ann § 9-11-23 and the constitutional requirements of due process. Extensive notice was provided to the class, including point of sale notification, publication notice and notice by first-class mail for certain potential Class Members.

The affidavit of the notice expert conclusively supports this Court's finding that the notice program was adequate, appropriate, and comported with Georgia Code Ann. § 9-11-23(b)(2), the Due Process Clause of the Constitution, and the guidance for effective notice articulate in the FJC's Manual for Complex Litigation, 4th.

Judge Lee Rosenthal, *In re Heartland Payment Systems, Inc. Customer Data Security Breach Litigation* (Mar. 2, 2012) MDL No. 2046 (S.D. Tex.):

*The notice that has been given clearly complies with Rule 23(e)(1)'s reasonableness requirement ... the notice plan after its implementation and conservatively estimated that notice reached 81.4 percent of the class members. (Docket Entry No. 106, ¶ 32). Both the summary notice and the detailed notice provided the information reasonably necessary for the presumptive class members to determine whether to object to the proposed settlement. See Katrina Canal Breaches, 628 F.3d at 197. Both the summary notice and the detailed notice "were written in easy-to-understand plain English." In re Black Farmers Discrimination Litig., — F. The form, content, and method of dissemination of Notice given to the Settlement Class were in full compliance with the Court's January 11, 2011 Order, the requirements of Fed. R. Civ. P. 23(e), and due process. The notice was adequate and reasonable, and constituted the best notice practicable under the circumstances. In addition, adequate notice of the proceedings and an opportunity to participate in the final fairness hearing were provided to the Settlement Class.

Judge Robert M. Dow, Jr., *Schulte v. Fifth Third Bank* (July 29, 2011) 1:09-cv-06655 (N.D. Ill.):

The Court has reviewed the content of all of the various notices, as well as the manner in which Notice was disseminated, and concludes that the Notice given to the Class fully complied with Federal Rule of Civil Procedure 23, as it was the best notice practicable, satisfied all constitutional due process concerns, and provided the Court with jurisdiction over the absent Class Members.

Judge Ellis J. Daigle, *Williams v. Hammerman & Gainer Inc.* (June 30, 2011) 11-C-3187-B (27th Jud. D. Ct. La.):

Notices given to Settlement Class members and all other interested parties throughout this proceeding with respect to the certification of the Settlement Class, the proposed settlement, and all related procedures and hearings—including, without limitation, the notice to putative Settlement Class members and others ... were reasonably calculated under all the circumstances and have been sufficient, as to form, content, and manner of dissemination, to apprise interested parties and members of the Settlement Class of the pendency of the action, the certification of the Settlement Class, the Settlement Agreement and its contents, Settlement Class members' right to be represented by private counsel, at their own cost, and Settlement Class members' right to appear in Court to have their objections heard, and to afford Settlement Class members an opportunity to exclude themselves from the Settlement Class. Such notices complied with all requirements of the federal and state constitutions, including the due process clause, and applicable articles of the Louisiana Code of Civil Procedures, and constituted the best notice practicable under the circumstances and constituted due and sufficient notice to all potential members of the Settlement Class.

Judge Ted Stewart, *Miller v. Basic Research, LLC* (Sept. 2, 2010) 2:07-cv-00871 (D. Utah):

Plaintiffs state that they have hired a firm specializing in designing and implementing large scale, unbiased, legal notification plans. Plaintiffs represent to the Court that such notice will include: 1) individual notice by electronic mail and/or first-class mail sent to all reasonably identifiable Class members; 2) nationwide paid media notice through a combination of print publications, including newspapers, consumer magazines, newspaper supplements and the Internet; 3) a neutral, Court-approved, informational press release; 4) a neutral, Court-approved Internet website; and 5) a toll-free telephone number. Similar mixed media plans have been approved by other district courts post class certification. The Court finds this plan is sufficient to meet the notice requirement.

Judge Sara Loi, *Pavlov v. Continental Casualty Co.* (Oct. 7, 2009) 5:07-cv-02580 (N.D. Ohio):

[T]he elaborate notice program contained in the Settlement Agreement provides for notice through a variety of means, including direct mail to each class member, notice to the United States Attorney General and each State, a toll free number, and a website designed to provide information about the settlement and instructions on submitting claims. With a 99.9% effective rate, the Court finds that the notice program constituted the “best notice that is practicable under the circumstances,” Fed. R. Civ. P. 23(c)(2)(B), and clearly satisfies the requirements of Rule 23(c)(2)(B).

Judge James Robertson, *In re Department of Veterans Affairs (VA) Data Theft Litigation* (Sept. 23, 2009) MDL No. 1796 (D.D.C.):

Further, the notice was reasonable and constituted due, adequate and sufficient notice to all persons entitled to receive notice.

BASIC INFORMATION

1. Why is this Notice being provided?

A court authorized this Notice because you have the right to know about the settlement of this class action lawsuit and about all of your rights and options before the Court decides whether to grant Final Approval to the Settlement. This Notice explains the lawsuit, the Settlement, your legal rights, what Settlement Class Member Benefits are available, who is eligible for the Settlement Class Member Benefits, and how to get them.

The Honorable Brendette Brown Green of the Circuit Court of Jefferson County, Alabama, Birmingham Division is overseeing this class action. The lawsuit is known as *In re Bradford Health Services, LLC Data Breach Litigation*, Case No. 01-CV-2025-902264.00 (“lawsuit”). The individuals who filed this lawsuit are called the “Plaintiffs” and/or “Class Representatives,” and the companies sued, Bradford Health Partners, LLC and Bradford Health Services, LLC, are called the “Defendants.”

2. What is this lawsuit about?

Plaintiffs filed this lawsuit against the Defendants on behalf of themselves and all others similarly related to a cybersecurity incident (“Data Incident”) that took place in November 2023, involving the Defendants and resulting in the unauthorized access to or acquisition of Settlement Class members’ Private Information. Private Information means information collected and/or maintained by Defendants, including, but not limited to, some combination of names, dates of birth, drivers’ license numbers, passport numbers, Social Security numbers, medical information (including treatment diagnosis information, physicians’ names, and medical record numbers), health insurance information, and financial information.

Defendants deny the legal claims and deny any wrongdoing or liability. The Court has not made any determination regarding any wrongdoing by Defendants, or that any law has been violated. Instead, the Plaintiffs and Defendants have agreed to a settlement to avoid the risk, cost, and time of continuing the lawsuit.

3. Why is there a Settlement?

The Plaintiffs and Defendants do not agree about the legal claims made in this lawsuit. The lawsuit has not gone to trial, and the Court has not decided in favor of the Plaintiffs or Defendants. Instead, the Plaintiffs and Defendants have agreed to settle the lawsuit. The Class Representatives, Defendants, and their lawyers believe the Settlement is best for the Settlement Class because of the Settlement Class Member Benefits available and the risks and uncertainty associated with continuing the lawsuit.

4. Why is this lawsuit a class action?

In a class action, one or more people (called class representatives) sue on behalf of all people who have similar legal claims. Together, all these people are called a class or class members. One court resolves the issues for all class members, except for those class members who timely exclude themselves (opt-out) from the class.

WHO IS INCLUDED IN THE SETTLEMENT?

5. How do I know if I am included in the Settlement?

You are included in the Settlement Class if you are a living individual residing in the United States and who was sent notice by the Defendants that your Private Information was impacted in the Data Incident.

6. Are there exceptions to being included in the Settlement?

Yes. Excluded from the Settlement Class are all persons who are: (1) directors, officers, and employees of Defendants; (2) the Judge assigned to the lawsuit, that Judge’s immediate family, and Court staff; and (3) any Settlement Class member who timely and validly opts-out of the Settlement.

Questions? Go to www.BradfordDisputeSettlement.com or call 1-877-311-8759.

7. What if I am still not sure whether I am part of the Settlement?

If you are still not sure whether you are a Settlement Class member, you may go to www.BradfordDisputeSettlement.com or call toll-free 1-877-311-8759.

THE SETTLEMENT BENEFITS

8. What does this Settlement provide?

If you are a Settlement Class Member, you can submit a Claim Form for the following Settlement Class Member Benefits:

Cash Payment A – Documented Losses

You may submit a Claim Form with reasonable documentation for losses related to the Data Incident for up to \$5,000 per Settlement Class Member.

Examples of reasonable documentation include (but are not limited to): telephone records, correspondence including emails, or receipts.

You will not be reimbursed for expenses if you have been reimbursed for the same expenses by another source in connection with the identity protection and credit monitoring services offered as part of the notification letter provided by Defendants or otherwise.

If you do not submit reasonable documentation supporting a loss, or if your Claim Form is invalid as determined by the Settlement Administrator, and you do not cure your Claim Form, your Claim Form for Cash Payment A – Documented Losses will instead be processed as if you elected Cash Payment B – Alternate Cash.

Cash Payment B – Alternate Cash

Instead of selecting Cash Payment A, without providing documentation, you may submit a Claim Form to receive a pro rata (a legal term meaning equal share) cash payment in the estimated amount of \$150.

Medical Data Monitoring - In addition to Cash Payment A (Documented Losses) *or* Cash Payment B (Alternate Cash), you may also submit a Claim Form to receive three years of free Medical Data Monitoring.

Your Cash Payment will be subject to a pro rata increase if the amount of Valid Claims does not use the entire Net Settlement Fund. Alternatively, if the amount of Valid Claims exceeds the amount of the Net Settlement Fund, your Cash Payment may be subject to a pro rata reduction.

For purposes of calculating the pro rata increase or decrease, the Settlement Administrator must distribute the funds in the Net Settlement Fund first for payment of Medical Data Monitoring, then to Cash Payment A – Documented Losses, and lastly for Cash Payment B – Alternate Cash. Any pro rata increases or decreases will be on an equal percentage basis.

Injunctive Relief

Defendants are implementing additional security measures following the Data Incident.

9. What am I giving up to receive Settlement Class Member Benefits or stay in the Settlement?

Unless you exclude yourself (opt-out), you will remain in the Settlement Class. If the Settlement is approved and becomes final, all Court orders and any judgments will apply to you and legally bind you. You will not be able to sue, continue to sue, or be part of any other lawsuit against the Released Parties about the Released Claims in this lawsuit. The specific rights you are giving up are called “Released Claims.”

10. What are the Released Claims?

Section XIII of the Settlement Agreement describes the Releases, Released Claims, and Released Parties, in necessary legal terminology, so please read this section carefully. The Settlement Agreement is available at

Questions? Go to www.BradfordDisputeSettlement.com or call 1-877-311-8759.

13. When will I receive my Settlement Class Member Benefits?

If you file a timely and valid Claim Form, the Settlement Class Member Benefits will be provided after the Settlement is approved by the Court and becomes final.

It may take time for the Settlement to be approved and become final. Please be patient and check www.BradfordDisputeSettlement.com for updates.

EXCLUDE YOURSELF OR OPT-OUT OF THE SETTLEMENT

If you are a member of the Settlement Class and want to keep any right you may have to sue or continue to sue the Released Parties on your own about the legal claims in this lawsuit or the Released Claims, then you must take steps to get out of the Settlement. This is called excluding yourself from—or “opting-out” of—the Settlement.

14. How do I opt-out of the Settlement?

To exclude yourself from the Settlement, you must mail a written request for exclusion, which includes the following:

- 1) Your name, address, telephone number, and email address (if any);
- 2) Your personal physical signature; and
- 3) A statement that you want to be excluded from the Settlement Class, such as “I hereby request to be excluded from the Settlement Class in the *Bradford Data Incident*.”

The exclusion request must be **mailed** to the Settlement Administrator at the following address, and be **postmarked** by **AUGUST 3, 2026**:

Bradford Data Incident
Settlement Administrator
PO Box 2088
Portland, OR 97208-2088

Questions? Go to www.BradfordDisputeSettlement.com or call 1-877-311-8759.

You cannot opt-out (exclude yourself) by telephone or by email.

“Mass” or “class” requests for exclusion filed by third parties on behalf of a “mass” or “class” of Settlement Class members or multiple Settlement Class members where the opt-out has not been signed by each and every individual Settlement Class member will not be allowed.

15. If I opt-out can I still get anything from the Settlement?

No. If you opt-out, you will not be able to receive Settlement Class Member Benefits, and you will not be bound by the Settlement or any judgments in this lawsuit. You can only get Settlement Class Member Benefits if you stay in the Settlement and submit a timely and valid Claim Form.

16. If I do not opt-out, can I sue the Defendants for the same thing later?

No. Unless you opt-out, you give up any right to sue any of the Defendants and Released Parties for the legal claims this Settlement resolves and Releases, and you will be bound by all the terms of the Settlement, proceedings, orders, and judgments in the lawsuit. You must opt-out of this lawsuit to start or continue your own lawsuit or be part of any other lawsuit against the Defendants and Released Parties about the Released Claims in this Settlement. If you have a pending lawsuit, speak to your lawyer in that lawsuit immediately.

OBJECTING TO THE SETTLEMENT

17. How do I tell the Court I do not like the Settlement?

If you are a Settlement Class Member, you can tell the Court you do not agree with all or any part of the Settlement and/or Application for Attorneys’ Fees, Costs, and Service Awards.

To object, you must file your timely written objection with the Court as provided below by **AUGUST 3, 2026**, and send by U.S. Mail to Class Counsel, Defendants’ Counsel, and the Settlement Administrator postmarked or shipped by private courier (such as FedEx) by **AUGUST 3, 2026**, stating you object to the Settlement in *In re Bradford Health Services, LLC Data Breach Litigation*, Case No. 01-CV-2025-902264.00.

To file an objection, you cannot exclude yourself from the Settlement Class. Your objection must include all of the following information:

- 1) Your full name, mailing address, telephone number, and email address (if any);
- 2) All grounds for the objection, accompanied by any legal support for the objection known to you as the objector or your own lawyer (if any);
- 3) The identity of all lawyers representing you (if any), including any former or current lawyers who may claim an entitlement to compensation for any reason related to the objection to the Settlement and/or Application for Attorneys’ Fees, Costs, and Service Awards and whether your lawyer will appear at the Final Approval Hearing;
- 4) The number of times your lawyer or your lawyer’s law firm have objected to a class action settlement within the five years preceding the date of the filed objection, the caption of each case in which your lawyer or the firm has made such objection and a copy of any orders related to or ruling upon your lawyer’s or the lawyer’s law firm’s prior objections that were issued by the trial and appellate courts in each listed case;
- 5) A list of all persons who will be called to testify at the Final Approval Hearing in support of your objection (if any);
- 6) A statement confirming whether you intend to personally appear and/or testify at the Final Approval Hearing; and

18. What is the difference between objecting and asking to be excluded?

Objecting is simply telling the Court that you do not like something about the Settlement. You can object only if you stay in the Settlement Class. Opting-out is telling the Court that you do not want to be part of the Settlement Class. If you opt-out, you cannot object because you are no longer part of the Settlement.

THE LAWYERS REPRESENTING YOU

19. Do I have a lawyer in the lawsuit?

Yes. The Court has appointed Jeff Ostrow of Kopelowitz Ostrow P.A., Jonathan Mann of Pittman Dutton Hellumus Bradley & Mann, P.C., and Gary Klinger of Milberg Coleman Bryson Phillips Grossman PLLC as Class Counsel to represent you and the Settlement Class for the purposes of this Settlement. You may hire your own lawyer at your own cost if you want someone other than Class Counsel to represent you in this lawsuit.

20. How will Class Counsel be paid?

Class Counsel will file a motion asking the Court to award attorneys' fees of up to 1/3 of the Settlement Fund, plus reimbursement of reasonable costs. Class Counsel will also ask the Court to approve the Service Awards for the Class Representatives for up to \$3,500 each for their efforts. If awarded by the Court, the attorneys' fees and costs and Service Awards will be paid from the Settlement Fund. The Court may award less than these amounts.

THE FINAL APPROVAL HEARING

The Court will hold a "Final Approval Hearing" to decide whether to approve the Settlement and Application for Attorneys' Fees, Costs, and Service Awards. You may attend and you may ask to speak if you file an objection by the deadline, but you do not have to.

Questions? Go to www.BradfordDisputeSettlement.com or call 1-877-311-8759.

21. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Final Approval Hearing on **SEPTEMBER 1, 2026, 11:30 a.m.** before the Honorable Brendette Brown Green at the Jefferson County Courthouse, 716 Richard Arrington Jr. Blvd. N, Birmingham, Alabama 35203. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate and decide whether to approve the Settlement and Class Counsel's Application for Attorneys' Fees, Costs, and Service Awards.

If there are objections that were filed by the deadline, the Court will consider them. If you file a timely objection, and you (or your lawyer) ask to speak at the hearing, the Court, at its discretion, may hear objections at the hearing.

Note: The date and time of the Final Approval Hearing are subject to change without further notice to the Settlement Class. The Court may also decide to hold the hearing via video conference or by telephone. You should check the Settlement Website, www.BradfordDisputeSettlement.com, to confirm the date and time of the Final Approval Hearing have not changed.

22. Do I have to attend the Final Approval Hearing?

No. Class Counsel will answer any questions the Court may have. However, you are welcome to attend at your own expense. If you file an objection, you do not have to attend the Final Approval Hearing to speak about it. As long as you file your written objection by the deadline, the Court will consider it.

23. May I speak at the Final Approval Hearing?

If there are objections that were filed by the deadline, the Court will consider them. If you file a timely objection, and you (or your lawyer) ask to speak at the hearing, the Court, at its discretion, may hear objections at the hearing.

MAPCO Express, Inc. and Delek US Holdings, Inc.*, 3:14-cv-1753 (M.D. Tenn.); *Bach Enterprises, Inc. v. Advanced Disposal Services South, Inc.*, Circuit Court, Barbour County, Alabama, Case No. 69-cv-2013-9000090; *In re Arby's Restaurant Group, Inc. Data Security Litigation*, 1:17-cv-514 (N.D. Ga.); MDL 2406, *In re Blue Cross Blue Shield Antitrust Litigation* (Subscriber Plaintiffs); and *Sullen, et al. v. Vivint, Inc.*, Circuit Court, Jefferson County, Alabama, Case No. 01-cv-2023-903893. I am currently putative class counsel in several pending actions involving data breaches, consumer protection, antitrust, and securities fraud claims.

Initial Investigation and Communications

7. This is a consolidated putative class action brought by Plaintiffs Richard Hussey, Joseph Lodico, Lorna Bell, Paul Wiezorek, Taylor McPherson, F.P., C.W., and Amanda Michael (“Plaintiffs” or “Class Representatives”), individually and on behalf of all others similarly situated (the “Settlement Class”), arising out of a Data Incident in November 2023 in which unauthorized third parties infiltrated the computer systems of Bradford Health Services, LLC and Bradford

Health Partners, LLC (“Defendants” or “Bradford”) and accessed Private Information of approximately 32,425 current and former patients (the “Data Incident”). Bradford operates healthcare facilities throughout Alabama focusing on treatment and rehabilitation of individuals who are drug and alcohol dependent.

8. After learning that their Private Information may have been impacted by the Data Incident, Plaintiffs retained their respective Plaintiffs' counsel on a purely contingency-fee basis (with Plaintiffs' counsel advancing all costs of the litigation).

9. Plaintiffs' counsel vigorously and aggressively gathered all information available regarding Bradford and the alleged Data Incident, including publicly available documents concerning announcements of the Data Incident and notices of the Data Incident that were sent to Bradford's current and former patients.

10. Our initial investigation into the facts and circumstances of the alleged Data Incident revealed that the attack against Bradford likely involved highly sensitive Private Information belonging to its current and former patients, which information was stored in Bradford's computer network. The Private Information at issue is particularly sensitive because Bradford operates healthcare facilities focused on drug and alcohol treatment and rehabilitation, meaning the compromised information includes highly personal medical treatment and diagnosis records.

Procedural Posture

11. As a result of the Data Incident, multiple consumer class action cases were filed against Defendants. On June 5, 2025, Joseph Lodico filed the first complaint. On June 9, 2025, Richard Hussey filed a complaint. On June 10, 2025, James Brooks filed a complaint. On August 8, 2025, Plaintiffs filed a Joint Motion to Consolidate Cases and Appoint Interim Co-Lead Class Counsel, which the Court granted on August 15, 2025. The claims of each Plaintiff all involve common

questions of law or fact, arising from the same Data Incident, including negligence/wantonness, negligence per se, breach of express or implied contract, and unjust enrichment.

12. On September 29, 2025, Plaintiffs filed the Consolidated Class Action Complaint. On October 22, 2025, James Brooks dismissed his individual action. On December 16, 2025, Plaintiffs filed the First Amended Consolidated Class Action Complaint, adding five additional Plaintiffs: Paul Wiezorek, Taylor McPherson, F.P., C.W., and Amanda Michael.

13. After filing the initial complaints, the Parties agreed to explore the possibility of an early negotiated resolution of Plaintiffs' claims. In advance of mediation, the Parties engaged in informal discovery so that they would have sufficient information concerning the Data Incident, the putative class, and Plaintiffs' claims to engage in informed settlement discussions. Class Counsel consulted with liability and damages experts, and propounded informal discovery on Defendants regarding the nature and cause of the Data Incident, the number and geographic location of victims, and the specific types of information impacted.

The Class Settlement

History of Negotiations

14. The Parties participated in a full-day mediation with Bruce Friedman of JAMS on October 21, 2025. Mr. Friedman is an experienced mediator in data breach class actions. After a full day of negotiations, the Parties reached an agreement in principle on the material terms of the Settlement. The negotiations were hard fought on each side, but through the mediation process, the Parties were able to come to an agreement in principle to settle this action.

15. After several rounds of negotiation through the mediator, the Parties reached an agreement in principle on all material terms of the class settlement.

16. Thereafter, the Parties negotiated the details regarding the Settlement, circulating drafts back and forth of the Settlement Agreement and its many exhibits. In the months following the mediation, the Parties diligently negotiated the final terms of settlement and drafted and finalized the Settlement Agreement, along with accompanying notice forms, a claim form, and other exhibits.

17. Plaintiffs also obtained competitive bids from various experienced Settlement Administrators and thereafter, with Defendants' input and approval, selected Epiq Class Action & Claims Solutions, Inc. to act as the Settlement Administrator, subject to the Court's approval.

18. The Settlement is the result of arm's-length negotiations, including numerous telephone conferences and emails directly exchanged between experienced counsel who had a comprehensive understanding of the strengths and weaknesses of each party's claims and defenses. Moreover, the Settlement was reached only after Plaintiffs' counsel analyzed information provided by Defendants in informal discovery and performed other research and investigation related to the Data Incident.

19. After the Parties eventually reached an agreement in principle on all material terms of substantive relief for the Settlement Class, they began negotiating the amounts of attorneys' fees and costs that would be paid to Class Counsel (subject to Court approval), as well as the amount of service awards that would be paid to the Class Representatives (also subject to Court approval). At all times, the issues of attorneys' fees, costs, and class representative service awards were negotiated separately from the settlement relief to class members. Like the other negotiations, these negotiations were conducted at arm's length.

20. On December 12, 2025, the Parties notified the Court of the settlement, and the Court stayed all deadlines. After finalizing the Settlement Agreement, Plaintiffs' counsel expended

significant effort drafting its Unopposed Motion and Memorandum in Support of Preliminary Approval of Class Action Settlement, which was filed on April 23, 2026. On May 1, 2026, this Court granted Plaintiffs' Preliminary Approval Motion.

Settlement Class

21. Under the terms of the Settlement, the Parties agreed to certification of the following Settlement Class for settlement purposes only:

All living individuals residing in the United States who were sent notice by the Defendants that their Private Information was impacted or potentially impacted in the Data Incident.

The Settlement Class specifically excludes the following individuals: (a) directors, officers, and employees of Defendants; (b) the Judge assigned to the Action, that Judge's immediate family, and Court staff; and (c) any Settlement Class Member who timely and validly opts out.

22. The Settlement Class consists of approximately 32,425 individuals.

Settlement Benefits

23. The Settlement negotiated on behalf of the Class provides for monetary relief from a \$900,000.00 non-reversionary settlement fund to eligible claimants whose Private Information was potentially compromised as a result of the Data Incident and who were sent written notice thereof. Specifically, Settlement Class Members may be eligible to receive the following Settlement Benefits:

a. **Cash Payment A – Documented Losses.** Settlement Class Members may submit a claim for a Cash Payment of up to \$5,000.00 per Settlement Class Member for actual, documented, unreimbursed monetary losses that were more likely than not caused by the Data Incident.

b. **Cash Payment B – Alternate Cash Payment.** As an alternative to Cash Payment A, a Settlement Class Member may elect Cash Payment B, which is a pro rata share of the Net Settlement Fund (estimated at approximately \$150), without the need to document losses.

c. **Medical Data Monitoring.** All Participating Settlement Class Members are eligible to enroll in 3 years of CyEx Medical Shield Total Medical Data Monitoring, which includes medical identity monitoring, real-time alerts, and insurance coverage up to \$1,000,000 for medical identity theft.

d. **Injunctive Relief.** Defendants have agreed to implement additional security measures designed to prevent future data incidents. The costs of these measures are paid separately from the Settlement Fund.

Release

24. The release in this case is tailored to the claims that have been pleaded or could have been pleaded in this case based upon the same conduct and the Data Incident.

25. Released Claims shall not include the right of any Settlement Class Member or any of the Released Parties to enforce the terms of the settlement contained in the Settlement Agreement and shall not include the claims of Settlement Class Members who have timely excluded themselves from the Settlement Class.

Notice

26. I believe Epiq Class Action & Claims Solutions, Inc. (“Epiq”) administered Notice effectively pursuant to the terms of the Settlement Agreement and the Court's order granting preliminary approval. Specifically, Epiq mailed Postcard Notice directly to Settlement Members at their known addresses within 30 days of the Preliminary Approval Order.

27. In addition to direct Notice, the Settlement Administrator established a Settlement Website where Settlement Class Members can access the Settlement Agreement, the Claim Form, the Notices, and important case documents, as well as a toll-free number by which Settlement Class Members were able to get answers to frequently asked questions. (<https://bradforddisputesettlement.com/>). The Settlement Website will be functional until the Settlement has been fully administered.

28. The key settlement and case documents were posted on the website for Class Members to see, including the Settlement Agreement, Preliminary Approval Order, Long-Form Notice, and Claim Form.

29. All costs associated with the Notice Program are paid from the Settlement Fund.

30. The Notice Program was designed and intended to reach as many potential Settlement Class Members as possible, is the best notice practicable, and was designed to meet all the criteria set forth in Alabama Rule of Civil Procedure 23(c) and the Manual for Complex Litigation. I believe the Notice Program was very successful.

31. As such, the Notice that was provided to the Class Members comported with Alabama Rule of Civil Procedure 23(c) and the United States Constitution and exceeds Due Process requirements.

Claims Process

32. I believe that all Settlement Class Members have had adequate time to receive Notice, review the terms of the Settlement Agreement and other relevant documents, and decide whether to opt out or object, and that Settlement Class Members have adequate time to decide whether to make a claim.

33. The period to submit claims provides ample time for Settlement Class Members to decide whether to make a claim for a cash payment, reimbursement of monetary losses for out-of-pocket losses, or medical data monitoring.

34. 1,383 claims have been submitted to the Settlement, which are now in the process of being reviewed, audited, and verified by the Settlement Administrator.

Exclusions

35. Out of approximately 32,425 Settlement Class Members, Epiq has received zero Opt-Out Request(s). August 3, 2026, is the deadline to opt-out of the settlement.

Objections

36. There have been no objections filed as to any of the terms of the Settlement, including the requests for fees, expenses, and service awards. August 3, 2026, is the deadline to object to the settlement.

37. Class Counsel have not received any complaints or other negative reactions to their requests for fees, expenses, and service awards from any Settlement Class Members or Class Representatives.

Class Counsels' Fee & Expense Request

38. Class counsel and the other firms representing Plaintiffs invested a great deal of time and resources into investigating and prosecuting this complex litigation. Specifically, we investigated and litigated this case rigorously and thoroughly, which included pre-suit investigations, extensive legal research, drafting pleadings and motions, plaintiff vetting, organizing the various related actions, engaging in hard-fought settlement discussions, negotiating a meaningful settlement, seeking approval of the Settlement, and now overseeing the administration of the Settlement.

39. We are also now applying for reimbursement of our reasonable and necessary costs and expenses of the Litigation totaling \$17,425.73, which is the total amount of money that Class Counsel advanced to prosecute this case with no guarantee of recoupment. All these expenses were reasonable and necessary for advancing the litigation and related to filing fees and other court costs, research expenses, service of process, copying, mediation and professional fees, and case administration.

40. Detailed documentation and receipts supporting these costs and expense amounts are available for inspection at the Court's request.

41. All the costs and expenses for which we are seeking reimbursement were reasonable and necessary to fully prosecute this matter and incurred for the benefit of the Class Members.

Conclusion

42. In my opinion, I believe the Settlement is fair, reasonable, and adequate and provides significant benefits for Plaintiffs and the Settlement Class Members and should be granted final approval.

43. I believe this Settlement is a positive resolution for the Settlement Class and falls comfortably within the range of reasonableness and represents a fair and reasonable discount from potential recovery. It is also my opinion that the Claim Form, Summary Notice, and Long Form Notice accurately and plainly explained the Settlement Benefits and how to obtain them, offered a clear opportunity for members of the Settlement Class to exclude themselves if they so choose, and provided a mechanism for the Settlement Class to share their opinions about the Settlement with the Court.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

FINAL APPROVAL ORDER AND JUDGMENT

This matter came before the Court on Plaintiffs' Unopposed Motion for Final Approval of Class Action Settlement (the "Motion"). A hearing was held on September 1, 2026. Both parties appeared by and through able Counsel.

After due consideration, and after providing adequate notice to the Settlement Class, the Court finds the Motion well taken and the same is hereby **GRANTED**.

It is therefore **ORDERED, ADJUDGED, AND DECREED** as follows:

1. Capitalized terms used in this Order that are not otherwise defined herein have the same meaning assigned to them in the Settlement Agreement.
2. This Court has jurisdiction over the subject matter of the Action and personal jurisdiction over all parties to the Action, including all Settlement Class Members.

3. This Court preliminarily approved the Settlement Agreement by Preliminary Approval Order dated May 1, 2026, and the Court finds that adequate notice was given to all members of the Settlement Class pursuant to the terms of the Preliminary Approval Order.

4. The Court has read and considered the papers filed in support of this Motion for Final Approval, including the Settlement Agreement and exhibits thereto and supporting declarations.

5. Based on the papers filed with the Court and after a hearing being held on this matter on September 1, 2026, at which time the Parties and all other interested persons were afforded the opportunity to be heard in support, the Court now gives Final Approval of the Settlement and finds that the Settlement Agreement is fair, adequate, reasonable, and in the best interests of the Settlement Class. The complex legal and factual posture of the Action, and the fact that the Settlement Agreement is the result of arm's-length negotiations presided over by a neutral mediator further supports this finding.

6. Pursuant to Rule 23 of the Alabama Rules of Civil Procedure ("Rule 23"), and for the purposes of settlement only, the following Settlement Class consists of:

All living individuals residing in the United States who were sent notice by the Defendants that their Private Information was impacted or potentially impacted in the Data Incident.

7. For settlement purposes only, the Court confirms the following counsel as Class Counsel and finds they are experienced in class litigation and have adequately represented the Settlement Class: Pittman, Dutton, Hellums, Bradley & Mann, P.C.; Kopelowitz Ostrow P.A.; and Milberg Coleman Bryson Phillips Grossman, PLLC.

8. With respect to the Settlement Class, this Court finds, for settlement purposes only, that: (a) the Settlement Class defined above is too numerous for their joinder to be practicable; (b) there are questions of law and fact common to the Settlement Class, and those common questions predominate over any questions affecting only individual members; (c) the Representative Plaintiffs and Class Counsel have fairly and adequately protected, and will continue to fairly and adequately protect, the interests of the Settlement Class; and (d) certification of the Settlement Class is an appropriate method for the fair and efficient adjudication of this Action.

9. The Court has determined that the Notice given to the Settlement Class Members in accordance with the Preliminary Approval Order fully and accurately informed Settlement Class Members of all material terms of the Settlement and constituted the best notice practicable under the circumstances, and fully satisfied the requirements of Rule 23, applicable law, and the due process clauses of both the U.S. and Alabama Constitutions.

10. The Court orders the Parties to the Settlement Agreement to perform their obligations thereunder. The terms of the Settlement Agreement shall be deemed incorporated herein as if explicitly set forth and shall have the full force of an order of this Court.

11. The Court dismisses the Action with prejudice and without costs (except as otherwise provided herein and in the Settlement Agreement) as to Plaintiffs' and all Settlement Class Members' claims against the Released Parties. The Court adjudges that the Released Claims and all the claims described in the Settlement Agreement are released against the Released Parties.

12. The Court adjudges that the Plaintiffs and all Settlement Class Members who have not opted out of the Settlement Class shall be deemed to have fully, finally, and forever

released, relinquished, and discharged all Released Claims against the Released Parties, as set forth in the Settlement Agreement.

13. The Court further adjudges that, upon entry of this Final Approval Order, the Settlement Agreement and the above-described release of the Released Claims will be binding on, and have *res judicata* preclusive effect in, all pending and future lawsuits or other proceedings related to the Released Claims maintained by or on behalf of Plaintiffs and all other Settlement Class Members who did not validly and timely exclude themselves from the Settlement, and their respective predecessors, successors, heirs, beneficiaries, conservators, trustees, executors, administrators, representatives, and assigns of each of the foregoing, as set forth in the Settlement Agreement. The Released Parties may file the Settlement Agreement and/or this Final Approval Order in any action or proceeding that may be brought against them in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

14. The Court notes that there are no requests for exclusion from the Settlement Class

15. Representative Plaintiffs and Settlement Class Members who did not validly and timely request exclusion from the Settlement are permanently barred and enjoined from asserting, commencing, prosecuting, or continuing any of the Released Claims or any of the claims described in the Settlement Agreement against the Released Parties.

16. The Court approves payment of attorneys' fees to Class Counsel in the amount of \$300,000.00, as well as reimbursement of Class Counsel's costs and expenses in the amount of \$17,425.73. These amounts shall be paid from the Settlement Fund in accordance with the terms of the Settlement Agreement. The Court, having considered the materials submitted by Class

Counsel in support of final approval of the Settlement and their request for attorneys' fees and costs, finds the award of attorneys' fees and costs appropriate and reasonable for the following reasons: (a) the Court finds that the Settlement provides substantial benefits to the Settlement Class; (b) the Court finds the payment fair and reasonable in light of the substantial work performed by Class Counsel; (c) the Court concludes that the Settlement was negotiated at arm's-length without collusion, and that the negotiation of attorneys' fees only followed agreement on the settlement benefits for the Settlement Class Members; and (d) the Court notes that the Notice specifically and clearly advised the Settlement Class that Class Counsel would seek an award in the amount sought.

17. The Court approves the Service Awards in the amount of \$3,500.00 for each of the Representative Plaintiffs for a total of \$28,000.00. These amounts shall be paid from the Settlement Fund in accordance with the terms of the Settlement Agreement. The Court, having considered the materials submitted by Class Counsel in support of final approval of the Settlement and their request for payment of the Service Awards, finds the Service Awards appropriate and reasonable in light of the services performed by the Representative Plaintiffs for the Settlement Class, including taking on the risks of litigation and helping achieve the results to be available to the Settlement Class.

18. Neither this Final Approval Order and Judgment, nor the Settlement Agreement, nor the payment of any consideration in connection with the Settlement shall be construed or used as an admission or concession by or against Defendants or any of the other Released Parties of any fault, omission, liability, or wrongdoing, or of the validity of any of the Released Claims as set forth in the Settlement Agreement. This Final Approval Order and Judgment is not a finding of the validity or invalidity of any claims in this Action or a determination of any

wrongdoing by Defendants or any of the other Released Parties. The Final Approval of the Settlement does not constitute any position, opinion, or determination of the Court, one way or another, as to the merits of the claims or defenses of Plaintiffs, the Settlement Class Members, or Defendants.

19. No objections were filed in this matter. The Court finds no reason to delay entering this Final Approval Order. Accordingly, the Clerk is hereby directed forthwith to enter this Final Approval Order and Judgment.

20. The Parties, without further approval from the Court, are hereby permitted to agree to and adopt such amendments, modifications, and expansions of the Settlement Agreement and its implementing documents (including all exhibits to the Settlement Agreement) so long as they are consistent in all material respects with this Final Approval Order and do not limit the rights of the Settlement Class Members.

21. Without affecting the finality of this Final Approval Order and Judgment for purposes of appeal, the Court retains jurisdiction as to all matters relating to administration, consummation, enforcement, and interpretation of the Settlement Agreement and the Final Judgment, and for any other necessary purpose.

22. In accordance with Alabama Rule of Civil Procedure 23, this Final Order and Judgment resolves all claims against all Parties in this Action and is a final order. The matter is hereby dismissed with prejudice, costs taxed as paid.

23. Any residual funds remaining in the Settlement Fund after the payment of all valid claims, attorneys' fees, costs, service awards, and administrative expenses shall be distributed to the Addiction Prevention Coalition as the *cy pres* recipient, as provided in the Settlement Agreement.

24. There is no just reason to delay the entry of final judgment in this matter, and the Clerk is directed to file this Order as the final judgment in this matter.
